

## Two Die From Plane Crash on Orinda Hillside

Quiet of the Orinda hills was shattered Sunday afternoon by a fatal plane crash.

Around 3 p.m. Sunday Mr. and Mrs. John McKee, through a window of their home at 372 El Toyonal, saw a low-flying small plane, obviously in trouble.

"It was flying quite low and was wobbling, as if the pilot was in some sort of trouble," Mrs. McKee said. "Then we saw it crash into a hillside below us."

**DEAD** as the result of the crash are the pilot, Bobby Lawrence Edwards, 30, and Miss Ella A. Pearson, 40, his passenger, both of 1836 Alice Street, Oakland, a rooming house.

The hillside crash was just a few feet from the home of Mr. and Mrs. A. M. Murphy, 70 Monte Vista Road. "The plane flew right over our kitchen," Murphy said.

When the two-place Piper Cub smashed nose first onto earth, Murphy dashed out. He and two other men tied a rope around the tail of the plane and held onto the rope, so that the plane would not be blown out of position by the stiff breeze.

Inspector William Koch and Fireman Howard Atkinson of the Orinda Fire Department quickly came on the scene, as did deputies from the sheriff's office. The firemen removed the occupants from the wreckage, and they and 16-year-old Life Scout Hugh Haskell, Jr., of Troop 200, carried the victims on stretchers to an ambulance which had been summoned by the sheriff's men.

**THE TWO VICTIMS** were taken to Permanente Hospital, Oakland, where Miss Pearson died shortly after arrival. Edwards, an employee of Hunter's Point Naval Shipyard, died Tuesday morning. He had suffered a fractured skull and internal injuries.

On the way to the hospital, the ambulance collided with an auto at 40th Street and Broadway, Oakland, driven by Lolla Brock, 39, 2924 Harper Street, Berkeley, a nurse's aid who was also en route to the hospital. No injuries resulted from this accident.

Edwards had recently bought the plane. He and Miss Pearson took off from Hayward Airport for a local flight. They refueled at Buchanan Field.

**A SHORT TIME** later, engine trouble apparently developed, and Edwards made his fatal attempt at a forced landing.

"There was a terrific wind pocket there," Inspector Koch said. "When we were giving them treatment for shock, the wind almost blew the blanket away."

Murphy was the first on the scene after the crash. But soon a crowd of curious persons gathered. Inspector Koch estimated that around 100 were there during the afternoon.

## Pittman Tract Record Gets OK

Planning Commission approval was voted Tuesday night for the record of survey for Marian Pittman's proposed new subdivision adjoining Moraga Meadows.

Consisting of 10 lots, three of them less than a half-acre each, the area fronts 1,100 feet on the north side of Meadow View Road west of Glorietta Boulevard.

## Pour Foundations For Fire House

Foundations were poured yesterday for Orinda fire house No. 2 at Moraga Highway and Orchard Road, it was reported by a representative of the Hancock Construction Company of Lafayette.

In about a week the concrete slabs which will hold the radiant heating will be put in place, he said.

## Zaney Spectacle Promised in 'Absurdia'

By MRS. A. M. ARIGHI

The show goes on! Tonight and tomorrow night Absurdia in Suburbia II will play at Acalanes High at 8:15.

This satire on suburban living, our gorgeous mothers in chorus lines, our dads singing and clowning—is indeed a spectacle not to be missed.

Tickets are still on sale through ticket chairmen and will also be sold at the door at Acalanes High School auditorium.

**EXCITEMENT** HAS been high all week with rehearsals going full blast, costumes to be fitted, and punch lines for the skits getting funnier and funnier.

Walter Brough, our director from Geller Productions of Hollywood, says he has never seen a zanier crowd. So, if you weren't able to get in the show this year, at least don't miss out in seeing this super-colossal, stupendous production of your friends and neighbors are in.

As you know, this isn't only for fun, but also for the good of our children for the money raised is to be used for the visual aid program for Glorietta and Orinda Schools and to provide books each month

Vol. IX, No. 6

Lafayette — Orinda, California — Friday, April 20, 1951

TEN CENTS

**'ON YOUR MARKS'** calls Superintendent of Schools Joseph L. Sheaff as these four determined lads settle down to some real practice for the big May 12 Field Day sponsored by the Orinda Rotary Club. The event, a major project of the service club, will be for all boys and girls of the Orinda and Glorietta Schools, and will be held at the Orinda school grounds. Left to right, the boys seen here are Doug Krotz, Laird Eickmeyer, David Blaney and Phil Reinheimer. Sheaff is president-elect of the Rotary Club. (SUN photo by Mattson)

## LID 22 Contract Awarded to Burch

On its low bid of \$282,912, the firm of Charles Burch of El Monte, Calif., was awarded the contract for Local Improvement District 22 (Sleepy Hollow) last week.

Burch offered the lowest of three bids submitted to the Board of Directors of the Central Contra Costa Sanitary District.

At the same meeting at which L.I.D. 22 contract was awarded, the board adopted a resolution of intention to establish L.I.D. 23 (Lake Cascade area).

Protest hearing on the resolution was set for the next board session, May 3, 8 p.m., at the district offices, 1822 Mt. Diablo Boulevard, Walnut Creek.

## Red Cross Drive Hits 94% So Far

Ninety-four per cent of its quota for 1951 had been reached at the close of tabulations last Sunday by the Mt. Diablo Chapter of the American Red Cross. Collections totaled \$22,545.29.

This is the largest sum raised in the area in the last four years, topping 1950 by \$6,000. The local chapter is tied for second place with Berkeley among 21 Bay Area chapters, according to Campaign Chairman R. W. Rinehart.

First place is held by Palo Alto with 115 per cent of quota. Average among the 21 stands at 76 per cent.

Review of the drive indicates at least \$500 more is unreported at present but virtually assured before the end of April. Meantime, all community chairmen are urged to re-canvass their territories before an official finish is written to the campaign.

An additional \$1,000 will have to be raised for the local chapter to reach its \$24,000 quota.

## Many Recommendations on Road Needs Offered by Civic Affairs Committee

Most of a two-hour session of the Orinda Association's Civic Affairs Committee Monday night was devoted to discussion of those old conversational standbys — roads, traffic and their related problems.

Actions on these subjects at the meeting at Orinda Grammar School were:

1. — Agreement that in the future any ideas in connection with problems of trucks on Mt. Diablo Boulevard be funneled through the Diablo Highway Improvement Federation.

2. — Recommendation to the association's Board of Directors that Vice-President Horace Breed, who is also a member of the Civic Affairs Committee and the association's representative on the highway federation board, be requested to find out and report just what the federation is doing in connection with moves for a second tunnel through the Contra Costa hills.

3. — **REQUEST** that the association board write to the State Public Utilities Commission, with a carbon copy to go to President Ackerman of Pacific Greyhound Lines, in complaint of lack of seats for commuters from Orinda on Greyhound buses between 7 and 7:45 a.m., as reported by Harold Rote.

4. — Urging the board to inquire why the State Highway Division has not assigned a man to operate the Crossroads signals manually during peak Sunday hours. (Bob Antonisen, who made the motion to this effect, stated that this had been promised by the State Highway Division a year ago.)

5. — Recommendation that the board get in touch with County Surveyor Joseph Barkley and Supervisor Jack Cummings, asking that the half-mile lateral of Martha Road between Overhill and Hillcrest be surfaced. Support of the Orinda School Board is to be asked.

6. — **REFERENCE** to the directors of the problem created by confusion of speed-limit signs near Orinda School. The matter was brought up by Nels Hamberg of the Sleepy Hollow Improvement Association, who reported that his group had discussed it last week. He pointed out that on the way to the Crossroads there was a 25-mile sign as one drives into the Village, a 35-mile sign outside the Village and no sign except "School Zone" at the approaches to the school.

7. — Request that the board contact the state regarding possible labeling of left-turn lanes on the highway at the Crossroads.

8. — Asking the board to take steps toward erection by the county of a road sign along Upper El Toyonal where it enters Wildcat Canyon Road.

9. — Recommendation of investigation of the possibility of a stop sign at Miner Road and Camino Sobrante and at Miner Road and Lombardy Lane.

10. — Recommendation that the board write to the State Highway Division asking that a man be assigned to operate the Crossroads signals manually during peak Sunday hours.

11. — Recommendation that the board get in touch with County Surveyor Joseph Barkley and Supervisor Jack Cummings, asking that the half-mile lateral of Martha Road between Overhill and Hillcrest be surfaced. Support of the Orinda School Board is to be asked.

12. — Recommendation that the board get in touch with County Surveyor Joseph Barkley and Supervisor Jack Cummings, asking that the half-mile lateral of Martha Road between Overhill and Hillcrest be surfaced. Support of the Orinda School Board is to be asked.

13. — Recommendation that the board get in touch with County Surveyor Joseph Barkley and Supervisor Jack Cummings, asking that the half-mile lateral of Martha Road between Overhill and Hillcrest be surfaced. Support of the Orinda School Board is to be asked.

14. — Recommendation that the board get in touch with County Surveyor Joseph Barkley and Supervisor Jack Cummings, asking that the half-mile lateral of Martha Road between Overhill and Hillcrest be surfaced. Support of the Orinda School Board is to be asked.

15. — Recommendation that the board get in touch with County Surveyor Joseph Barkley and Supervisor Jack Cummings, asking that the half-mile lateral of Martha Road between Overhill and Hillcrest be surfaced. Support of the Orinda School Board is to be asked.

16. — Recommendation that the board get in touch with County Surveyor Joseph Barkley and Supervisor Jack Cummings, asking that the half-mile lateral of Martha Road between Overhill and Hillcrest be surfaced. Support of the Orinda School Board is to be asked.

17. — Recommendation that the board get in touch with County Surveyor Joseph Barkley and Supervisor Jack Cummings, asking that the half-mile lateral of Martha Road between Overhill and Hillcrest be surfaced. Support of the Orinda School Board is to be asked.

18. — Recommendation that the board get in touch with County Surveyor Joseph Barkley and Supervisor Jack Cummings, asking that the half-mile lateral of Martha Road between Overhill and Hillcrest be surfaced. Support of the Orinda School Board is to be asked.

19. — Recommendation that the board get in touch with County Surveyor Joseph Barkley and Supervisor Jack Cummings, asking that the half-mile lateral of Martha Road between Overhill and Hillcrest be surfaced. Support of the Orinda School Board is to be asked.

20. — Recommendation that the board get in touch with County Surveyor Joseph Barkley and Supervisor Jack Cummings, asking that the half-mile lateral of Martha Road between Overhill and Hillcrest be surfaced. Support of the Orinda School Board is to be asked.

## Close One Lane On Highway for Removal of Slide

Due to slide removal work by state maintenance crews on Mt. Diablo Boulevard three-fourths of a mile west of Orinda Crossroads, the outside lane for Oakland-bound vehicles near the slide area is closed Mondays through Fridays from 8 a.m. to 4:30 p.m.

This was announced this week by Assistant State Highway Engineer John H. Skeggs of the State Division of Highways.

The closed lane, which extends from near the Crossroads to the slide, is being used by equipment in slide removal operations, he explained. This will be the case for the next four or five weeks, Skeggs indicated.

Weather permitting, it is hoped that after that time the highway will be cleared of the earth mass which slid from the north-side hills last December 9.

## Two Crossroads Accident Reports

**FRIDAY THE 13TH** proved comparatively lucky for Rosemarie Dowd, 31, Berkeley, and James Wroff, 35, Oakland. The cars they were driving west had a rear-end collision 50 yards west of Orinda Crossroads, on Mt. Diablo Boulevard, at 4:30 p.m., but the drivers were uninjured, the Highway Patrol said.

At 5 p.m. April 12 Donald Neff, 19, Napa, was injured when the motorcycle he was riding became involved in a rear-end collision with a car driven by Grace Hersam, 48, Alamo, a mile west of Orinda Crossroads. Both were driving east. Neff was taken to a private physician.

## Blalock Appointed C. of C. Manager

Andy Blalock yesterday was appointed manager of the Orinda Chamber of Commerce by the board of directors.

Progress reports on this and other projects under consideration occupied the board yesterday noon. The chamber is awaiting bids on lumber necessary for construction of the new bus shelter.

President Bill Worden appointed Stanley Allen, John Stoffel and Clarence Betz as a nominating committee to submit a slate of new officers and directors at the next meeting May 3. Reports on the project for installation of curbing between Black's Market and the Vashell Building were also given.

## Lions Will See 'Acalanes Story'

Orinda Lions Club will observe Public Schools Week next Wednesday night by showing the color movie, "The Acalanes Story." Acalanes Supt. Neil Parsons will be commentator.

The nominating committee, headed by Carl Miller, will make a report, with election set for May 9. Don Hunter is retiring president.

Lions, wives and guests attending the club party at Lafayette Legion Hall Saturday report a gay time dancing to the rhythm of a good jazz orchestra. The feminine contingent was given full credit for preparing refreshments, serving and cleaning up. George Hartzell Jr., was chairman.

## Camera Club Meets For Informal Talk

The Contra Costa Camera Club had a business and informal discussion meeting April 10 at the Orinda Community Center. Guy Spencer showed his color slides of scenes in Death Valley.

The camera club will have its monthly print and color slide competition Tuesday.

## Both Schools to Hold Open House

In connection with Public Schools Week, Orinda and Glorietta schools are holding open house from 7:30 until 9:00 p.m. Tuesday, for Glorietta School and on Wednesday for Orinda School.

On display in each class will be work done during the past year. Special exhibits in connection with the school work are also being prepared. The teachers will be there to meet the parents and discuss the work.

The open house takes the place of the regular monthly meeting of the Mothers Club. All are cordially invited to attend, and bring the whole family.

The first grade mothers will serve refreshments under the chairmanship of Mrs. R. R. Bowles and Mrs.

## Tax Exemption For Center Land Seen as Possible

Hope that Community Center land, owned by the Orinda Association, may become tax-exempt was held forth Monday night by Chairman Zach Montgomery of the Orinda Association's Civic Affairs Committee.

"For many months association efforts have been made to have the Community Center placed in a tax-exempt status," Montgomery said at the committee's meeting at Orinda Grammar School.

"During the past weeks I've been in touch with a tax attorney, who graciously consented to go into the problem."

**"OUR ASSOCIATION** is a non-profit corporation, so it's barely possible we may have the Community Center property declared tax-exempt."

Montgomery said he hoped to have a report on the matter at the May 21 meeting of the Civic Affairs Committee.

**A REQUEST** by the Orinda Estates Owners that the Orinda Association join in efforts to obtain a separate supervisory district for the Orinda - Lafayette - Moraga - Canyon - Walnut Creek - Concord area was tabled until the next Civic Affairs meeting.

The Orinda Estates letter, signed by Zelda Moses, secretary, originally came before the association last November. It has now been referred by the board to the Civic Affairs group, and a letter from Board Secretary Norman Coates informed the Civic Affairs body Monday night that supervisory districts can be changed by the County Board of Supervisors.

Coates reported he had been so informed by Mrs. Ernest Spiegel, last year's board secretary.

Montgomery stated he would get in touch with Mrs. Moses before the May meeting of Civic Affairs, to discuss the matter further with her.

**HORACE BREED** reported that he had received a reply from County Surveyor Joseph Barkley, in which Barkley stated the county would make repairs to Irwin Way as soon as possible. Breed, association vice-president, had written Barkley about this at request of President Kirk Miles.

In the absence of Civic Affairs Secretary Joseph Downs, who was busy at an "Absurdia" rehearsal, Nels Hamberg acted as secretary.

## Settle Auto Crash Suit Out of Court

With all claims compromised, suits asking \$150,731 for the death of Phil Ray, 42, and injury of his wife, Jean, in a Utah auto crash, were dismissed this week in Superior Court, Martinez.

Mrs. Ray, 48, Sanborn Road, charged that her husband died of injuries incurred June 17, 1949, when their new car, driven by Ray, collided 65 miles west of Salt Lake City with one driven by James Morgan, also an Orindian.

The suit, in Contra Costa Superior Court, asked \$100,731 for Ray's injuries and \$50,000 for personal injuries suffered by the plaintiff.

The Rays had just completed a two-year scientific expedition to Africa with Professor Charles Camp of the University of California, shortly before the accident. A former newspaperman and radio sports announcer, Ray died four months after the auto mishap while in an Oakland doctor's office for a physical checkup.

Attorneys did not disclose the amount of the settlement, but said each side was to pay its own court costs.

## Gallagher, Burk Get Contract for Moraga Hwy. Job

Contract for surfacing and widening of Moraga Highway from 350 feet southeast of the Crossroads to Glorietta Boulevard was awarded by the Board of Supervisors Monday to Gallagher and Burk of Oakland.

The firm's bid of \$39,159.45 was the lowest of the four bids submitted. The current county budget provides about \$40,000 for the project. Total length of Moraga Highway to be worked on in this job is 7,630 feet.

## Both Schools to Hold Open House

In connection with Public Schools Week, Orinda and Glorietta schools are holding open house from 7:30 until 9:00 p.m. Tuesday, for Glorietta School and on Wednesday for Orinda School.

On display in each class will be work done during the past year. Special exhibits in connection with the school work are also being prepared. The teachers will be there to meet the parents and discuss the work.

The open house takes the place of the regular monthly meeting of the Mothers Club. All are cordially invited to attend, and bring the whole family.

The first grade mothers will serve refreshments under the chairmanship of Mrs. R. R. Bowles and Mrs.

## Your Garden

### If You Want Melon Patch This Summer Better Get Started—Formula's Simple

By BERT WRIGHT

**MELONS** — moles — mulching

and such: Providing the summer climate is reasonably warm and you really want a melon patch, better get started.

The formula is simple. A spading fork from the garage or tool shed, a small amount of well-rotted manure or a few pounds of a well-balanced commercial fertilizer and a package of your favorite variety seed.

**MANY TYPES** of melons are available but if you can grow one type well it is better than falling with a half dozen different varieties. Because watermelons demand a great deal more heat than the muskmelons, it would be wiser to eliminate them. I have seen perfect muskmelons grown in this vicinity but the watermelons have only turned out fair. Size was definitely lacking but the quality of sweetness was good.

**LATE MELONS:** Honeydew, Persians, Casaba and Crenshaw will do best planted now.

The Crenshaw (sometimes spelled Cranshaw) is an excellent new variety, its salmon-colored flesh is rich in flavor and has the flavor somewhat of the canteloupe.

Melons need plenty of space and water. Don't plant at all unless you are able to give them all the water they need.

Hot weather is absolutely essential for large flavorful fruit. As the melons ripen from within 70 to 80 days, the weather should be at its warmest in this area at ripening time.

**WHEN PLANTING**, spade the manure or commercial fertilizer into the soil at a depth of eight to ten inches. About every three feet make a slightly raised circle about 12 inches across. Scatter six or seven seeds in each circle after the soil has been thoroughly moistened. Cover them over with about a half-inch of dirt and tamp.

For added protection apply a mulch with peat moss or redwood bark mulch. This will keep the seeds from drying out. The 12-inch circle should not be raised too high as this will cause the seeds to dry.

\*\*\*\*\*

**Diamond K**  
Sez...

The last few days, we have had many inquiries on the best way to refinish patio furniture, especially redwood furniture.

The easiest and most economical way is to use Behr Process redwood stain. This is available in clear color for redwood, dull finish color for weathered redwood and redwood "wood" color for simulating redwood and sealing in one operation.

**SPEAKING OF STAINS**, did you know that the Cabot Co., the world's largest producers of stain, has now placed on the market a completely new line of outside, non-creosote stains?

These are very favorable for our California type homes and have been aptly named the "Ranch House Hues." They cover everything from gray to green to yellow. Stop by and examine the color cards.

**CEMENT IS STILL** impossible to get but we have plenty of Mix-quick concrete and Mix-quick mortar available. These products are everything dry in a sack. All you do is add water.

The grapestake situation is unchanged in that, while they are not plentiful, we do have some of almost every size.

The railroad ties are all gone at present and we hope to have more at a later date. The response to the railroad ties was very good.

**MAY I AGAIN** remind you of the California Spring Garden Show opening April 27th and running for a week thereafter at the Oakland Auditorium. This is a spectacle that no one can afford to miss—See you there.

Bill Magrath

**DIAMOND K**  
**SUPPLY**

Mt. Diablo Blvd. Laf. 4477

\*\*\*\*\*

out also. It should be just high enough so irrigation can take place around the circle without danger of flooding the seeds.

**DO NOT KEEP** the soil soaked. An even, continuous amount of moisture at the root zone several inches deep is all that is necessary.

When the vines are four or five joints long the tips can be pinched off. This will encourage the fruit bearing laterals.

How to get rid of moles in the vegetable garden?

**SEVERAL METHODS** of control are in use. A teaspoon of calcium cyanide or carbon bisulphide may be put into the burrows every five feet or so, each opening being promptly closed with sod. Both must be used with care. Many of the prepared products available at garden supply dealers have proven most successful.

The number of moles that one has in the garden is an indication of the amount of pests and insects in the ground, as moles live primarily on these.

**MULCHING** is without a doubt one of the finest ways to conserve water and at the same time grow a healthy specimen plant. Mulching is definitely beneficial to all plant growth, including your vegetable garden.

Many experts advocate clean cultivation, which, of course, is absolutely correct. But in adobe soils the mulching is probably foremost.

**TRY COVERING** the root area of your string beans, corn and tomatoes with a coating of peat moss. When necessary to cultivate, scratch the mulch right into the soil and use it as a humus builder.

After irrigation, apply another mulching of peat.

I will gladly answer your garden problems if possible, so drop me a line. Mail questions to Bert Wright, P. O. Box 151, Lafayette.

### PG&E Awards Service Badges

A dinner was given by Pacific Gas and Electric Company last week at the Claremont Hotel in honor of 409 employees in the company's East Bay Division who have completed five, ten or more years' service.

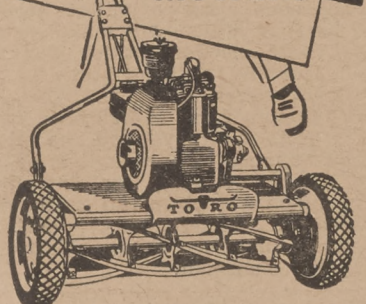

Lafayette employees who received badges, and their years of service are as follows:

25 year badge was awarded to Charles E. Evans; 20 year badge was awarded to May Dahlgren, and 15 year badge was awarded to H. J. Meinbress.

### Officers Attend Air Reserve Meet

Colonel Russell T. Sharpe, 18 Las Cascadas, and Captain Stanley Nightingale, 41 Charles Hill Road, both of Orinda, and First Lieutenant Robert N. Hughes, 3484 Hamlin Road, Lafayette, were among Air Reserve officers who attended a special training conference at Hamilton Air Force Base, Marin County, recently.

Twenty-two commanders and officers of volunteer Air Reserve units in the East Bay were joined at the conference by 24 officers directing similar activities in Vallejo, Ukiah, Sacramento, Chico and Elko, Nevada.

Latest information on recalls to active duty, current critical specialties, promotion policies and plans for future reserve training were reviewed at the session.

The training program was directed by Colonel Frank L. Naylor of Berkeley, commanding officer of the 9080th Volunteer Air Reserve Training Group.

### IRRIGATION CONFERENCE

Next Monday and Tuesday a two-day conference on problems relating to the use of sprinkler irrigation will be sponsored by the irrigation division of the University of California at Davis.

### Hospital Guild Welcomes Members

The Santa Maria Branch of the Junior Guild of Providence Hospital welcomed seven new members into its ranks Friday.

The new members were feted at a tea given at the home of Mrs. Louis Fekete. Mrs. Fekete, who was chairman of the event, resides in Lafayette.

The President of the branch, Mrs. Noel Izett, gave a short welcoming address, and then she explained the activities of the organization to the new members. The main activity is raising funds for the clinic at the hospital.

The individual groups such as the Santa Maria Branch of Orinda and Lafayette-Walnut Creek are giving small fund raising activities during the year, and the Guild as a whole gives a Christmas festival, and also raises funds through the Memorial Cards which are available through the members of all the branches.

The new members are Mesdames John O'Brien and John Osmund-

## Report Awaited From Geologist On Rheem Oaks

Rheem Oaks, proposed 13-lot subdivision at Rheem Boulevard and St. Mary's Road in Moraga Valley, continued to be a name with a question-mark after it this week.

At Tuesday night's meeting in the Hall of Records in Martinez, the County Planning Commission again delayed action, at least for another week, on the map for the proposed tract, pending report by a geologist hired by the county.

**THE GEOLOGIST**, W. Dorr from Stanford University, was scheduled to make a study of the land yesterday, in an effort to determine whether, as described by County Surveyor Joseph Barkley, it is in the midst of a slide area.

According to Planning Technician Tom Heaton, Dorr is a specialist who is doing research on this phase of geology at Stanford and has been highly recommended by the university.

Rheem Boulevard was built by the Rheem interests some years ago and was later turned-over to the county. Barkley has stated that it has always been a sore spot and is virtually closed because of slides.

However, Planning Commissioner John L. Stoffel has expressed the belief that Rheem Oaks is out of the slide area.

**LAST WEEK** Engineer Frank Draga declared that if the planners do not approve the map, the homes will be built by use of a "record of survey," reducing the commission's jurisdiction to such details as lot design.

Recommendation that a geologist should report on the slide potential of the tract before action by the Planning Commission was made by Assistant County Surveyor George Berry.

A preliminary report from Dorr is expected this week, Heaton said, and a final report will be forthcoming later.

### BILLION DOLLAR BUDGET

California's billion dollar state budget proposal for 1951-52 is three and one-half times as great as the \$281,733,781 actually spent by the state in 1939-40 — and on a per capita base it is way more than twice as much as for 1939-40, California Taxpayers' Association declared today.

## Broken Clocks Mean Time for Veteran Therapy

May 2 has been designated as "collection day" for the Hobby Shop, according to Mrs. E. A. Gustafson, rehabilitation chairman, Lafayette American Legion Auxiliary.

Broken clocks, cigarette lighters, lamps and odd pieces of jewelry, which might otherwise be thrown away, are useful in corrective, occupational, educational and manual therapy offered by the Los Angeles Veterans Administration Center, where the shop is located.

Hospital patients are also able to earn money by making saleable items, she said. Other usable items include: fountain pens, whole or in parts; pencils, spectacles, whole or in parts; tooth brush handles, watches, whole or in parts; yarn and zippers of any length.

Anyone having articles for the collection may call Mrs. Gustafson at Lafayette 3360 to have them picked up before May 2.

## Young GOPers to Meet Wednesday

The Young Republicans of Central Contra Costa County will hold their next regular meeting Wednesday, 8 p.m., at the home of Ned de Laveaga on Miner Road, Orinda.

Officers will be elected. Max Wilcox, president of the County Young Republicans, will be the speaker.

Among local people attending the Young Republicans' picnic last Sunday at Martinez were Mr. and Mrs. Charles Phillips, Mr. and Mrs. Ned de Laveaga, John De Soto and Mrs. Pat Small and her daughter Sue, all of Orinda, and Lou McKim and Ed Dilling, both of Lafayette.

Wilcox was chairman of the gathering, which was attended by about 500. Entertainers included film star George Murphy and radio character actor Bill Thompson. A box luncheon was enjoyed.

Governor Earl Warren discussed the potential of this county as an industrial center and the need for everyone to participate in civilian defense.

### Guests at Ambroses

Mr. and Mrs. Anthony Kranses, now of Bend, Oregon, have been visiting the J. W. Ambroses. The Kranses were Lafayette residents.

## Catholic Census Now Under Way

The period from last Wednesday, April 18, to April 27 has been set for the census-taking committee of Santa Maria Church to collect data on the Catholic population of the area by a house-to-house canvass.

Father Thomas F. Scallion of Santa Maria met with the committee chairmen Monday evening at the home of Mrs. Dean Lippe, to help with final suggestions for the most efficient operation of the drive.

General chairman is Mrs. Dean Lippe. Assisting her will be Mesdames A. B. Scollard, John Stahle and Florence Schwab.

Census workers will be Mesdames Jack Janse, C. Cook, Charles Malone, Norman Ketsdever, Jack Rechtiene, Leighton MacGregor, John Gillivan, Robert Boyle, George Klement, Edward Maloney, M. Stecker, Edward Barrett, Zachary Montgomery, Joseph Ortland, Frank Lyons, Edward McCormick, George Courtney, John Stoffel, F. D. Courneen, Florence Bartlett, V. Price and Joseph Golden.

Any Catholic in the Orinda-Lafayette-Moraga area who has not been contacted by April 27 is asked to phone Mrs. John Stahle, Orinda 2557, or Mrs. Jack Janse, Orinda 2575.

## Beethoven's 9th To Be Climax

In accordance with an established tradition, Beethoven's Ninth Symphony again will be the climax of the San Francisco Symphony season.

This work, one of the most gigantic in the entire literature of symphonic music, will feature the all-Beethoven program arranged by Conductor Pierre Monteux for the Opera House concerts, Thursday night, Friday afternoon and Saturday night, April 26-27-28.

In the stupendous "Ode to Joy," words by Schiller, which is the final movement of the Beethoven Ninth, the orchestra will be joined by a vocal quartet and a chorus of approximately 500 voices made up of the Municipal and Stanford University Chorus.

### New Citizens

Patricia Jo Ford, Route 3, Box 1890, Lafayette, was among the nine persons out of 16 applicants who were naturalized Saturday by Superior Judge Hugh H. Donovan.

Several of those whose names appeared on the calendar were requested to return June 20 because their witnesses were not present.

In almost all traffic accidents, one or more traffic laws have been violated by motorists or pedestrians.

## Our Boys

### Pencovic Transferred To Chanute Field, Ill.

Technical Sergeant Richard E. (Julian) Pencovic of 3216 Acalanes Avenue left Fairchild Air Force Base Monday morning for Chanute Field, Ill., where he will receive three months' training as a senior aircraft mechanic with B-36's.

Pencovic reported for duty two weeks ago at Fairchild Base, near Spokane.

## Acalanes 'Open House' Monday Night

Acalanes Superintendent Neil M. Parsons today invited the public to the school's annual "Open House" program Monday, 8 p.m., for the premiere showing of "The Acalanes Story," a technicolor 16mm film reviewing the progress of the school since 1945.

With students, teachers and the campus itself featured, the film graphically illustrates the educational program, growth of student enrollment and the school plant, and problems in financing the district.

Following the premiere of the

picture, some songs by the Acalanes Mixed Chorus and a meeting of the Acalanes Parent's Club, the entire school plant will be open for inspection. Special exhibits will depict the work being done for and by students. Adult classes Monday evening will also be open to visitors.

According to Parsons, "Open House" affords the public an opportunity to inspect first hand the educational program and facilities afforded their youngsters. Everyone, parents and non-parents, is invited to appraise the work being done at the school.

## After Orient-France, Thursday Night

The Philippines, Japan and Hong Kong were the topic for discussion last night at the fourth meeting of the "Let's Travel" series of classes sponsored by the Acalanes Adult School.

F. E. Coutal, in cooperation with the Philippine Consulate and Northwest Airlines, discussed the Orient and showed special films.

Next Thursday Monsieur Rene Mouthard, executive of the French National Railways, will describe France and Paris in speech and film.

Adult School director David Stewart reports that enrollment in the new Spring Quarter continues to mount rapidly.

Courses still open include Red Cross First Aid and Home Nursing.

### At Benefit Dance

Mr. and Mrs. George D. Rives and Lt. and Mrs. Robert Rives attended the Jack and Jill Nursery School benefit dance at Diablo Country Club last Saturday night.

# Grand Jury Can Help Solve Our Problems

(An Editorial)

For several years this newspaper has studied the annual report of each Contra Costa County Grand Jury—and then noted that most of the recommendations were subsequently ignored.

If you recall, several months ago we published a brief list of the major recommendations of the last grand jury report, issued early last summer. On the same page were 1) an editorial pointing out the need for adopting the worthwhile recommendations; 2) an open letter to our supervisor, Jack Cummings, asking him to let us know what action had been taken on the recommendations.

Since then, Supervisor Cummings told us he is compiling information. It should be forthcoming in the very near future.

Meanwhile, we are interested to learn that citizens of San Francisco are equally concerned about the fate of their grand jury reports. Former grand jurors have banded together to do something about it by bringing the recommendations of the past five years before public officials. This might be an answer in our own county. Perhaps the Taxpayers Association or someone else will volunteer to make such a study.

In an adjoining column is published a news story briefly reviewing the problem in San Francisco. It is equally applicable to Contra Costa County.

We sincerely hope that you, as individual citizens, your organizations, and others will join us in urging our public officials, both county and district, to study the recommendations and put them into effect.

Contra Costa is among the top counties of California in size, wealth, population, economy—and it's a wonderful place to live. But Contra Costa has tremendous problems to be solved. And our grand juries offer many recommendations to help solve the problems and make Contra Costa an even better county. But it requires more than "suggestions," it takes action. So far that action has been very slow.

The SUN considers the Grand Jury and its reports of utmost importance. We will do our share in publicizing them and advocating that their efforts be not in vain.

## Cap Sandford Sez:

I HAVE HEARD and noted a lot of comment recently about the military training camps. Now let me tell you about the military training camp I was in on Salisbury Plain, England, in 1914.

There were 33,000 of us there (Canadians) and, as I remember, there was about one small tin hand basin for every three men and an occasional water faucet . . . cold, not hot . . . all out in the open air, dry earth latrines, and, as far as the food was concerned it was pretty terrible. Many soldiers said, "The good Lord maybe sends the food, but the devil certainly sends the cooks."

At the gas attack at Ypres in 1915, during which we were surrounded and cut off from our base, we refused to surrender, successfully holding out until reinforcements came up.

Our Commanding Officer said, "I know my military history pretty well and I cannot think of an instance, especially when the cleverness and determination of the enemy is taken into account, in which troops were placed in such a difficult position and stood fast."

I have written this because I cannot see where toilets, showers and recreation centers, excellent food and all these different luxuries can be of any real use in the training of men who certainly cannot expect these luxuries in battle.

California now needs a little more rain, and we still may be fortunate enough to get it before the Summer finally sets in. Good-bye now.

## Citizens Organize to Support Grand Jury Recommendations

(Reprinted from the San Francisco Examiner, April 8. Read the editorial in adjoining column. — The Editor.)

Traditionally, the annual grand jury reports cause a big stir in San Francisco . . .

Then the jury's term expires, the reports are pigeonholed, the big stir is forgotten and a new jury of 19 men and women spend 12 months digging up essentially the same data.

THE ABOVE OPINIONS are almost universally shared by disillusioned ex-grand jurors who have customarily found their efforts disregarded in the onrush of a new year.

In the future, however, the fate of grand jury reports here may be substantially different.

A RELATIVELY NEW GROUP, the Association of Grand Jurors of San Francisco, plans to carry the

ball for the high points in the yearly reports long after the jury has handed down its last indictment.

"Each jury makes at least one recommendation that deserves real attention. We want to follow through to see that these are carried out," explains Carroll Newburgh, incoming president of the association and a former foreman of the grand jury.

"For instance, a recent grand jury made a complete investigation and report on traffic and transportation. Thus far it has been ignored — we plan to go into it thoroughly."

NEWBURGH ASSERTED THE GRAND Jurors Association will soon make a thorough study of reports from the past five years and then bring the worthwhile recommendations of past grand juries before the board of supervisors and other governmental groups.

"If we can push some of the good projects . . . fine. We'll feel we have accomplished something," he adds.

"The mayor and other top officials have already told us they will cooperate with us. Also we have the weapon of public opinion," Newburgh continued.

Arthur Wilkens, vice president of the association, bitterly explains the haplessness of the grand jury in this fashion:

"For the first three to four months the new grand jurors are green and feeling their way through the dark."

"Then they go to work for four months and dig into the operation of the city."

"In the last three months they are primed to be of real service but they are pushed around by politicians who know that if they stall long enough the grand jury will run out of its term and nothing will have to be done."

TO COUNTERACT THE LOSS of those first three months while the jurors are developing a working knowledge of city government, the association has advocated to the legislature the installation of a "staggered-overlapping" system of appointing grand juries with half of the jury being replaced every six months.

Wilkens claims the jury reports rate a better fate:

"The jurors are public spirited and put a lot of work in their reports. But before, there was nobody to pursue their recommendations further."

"The reports were shelved and gather dust. A check would show the annual reports contain the same chronic complaints year after year, but nothing's ever done."

"Generally, I believe the jurors don't accomplish what their efforts warrant."

## Supervisors Study Highway Bond

The Board of Supervisors is considering a recommendation of the highway committee of the Contra Costa County Development Association that a bond issue be submitted to the people to finance sorely required highway reconstruction and expansion on the county level.

"It is the observation of the committee that the people are ready for a bond issue now," Attorney Joseph Judson of Pittsburg, chairman of the association's highway group, told the supervisors.

"WE HAVE REACHED this conclusion after holding 10 hearings on highway requirements on the county level and appearing before more than 20 organizations throughout the county. There remains, if their acceptance by the board, determination of the amount of a bond issue that will provide equitable distribution on the basis of required construction."

Judson urged that a bond issue be submitted at a special election, that ample time be allowed for education of the people and that adequate financing be made available.

THE BOND ISSUE proposal was submitted by Judson in a general report to the Board of Supervisors that included his role as county liaison officer to the California Highway Commission.

Members of the board made no official comment on the committee's suggestion but individually expressed deep interest in the proposal and urged early submission of the committee's recommendations on county level roads.

PAY RAISE ASKED  
County Health Officer Dr. H. L. Blum has requested pay increases for members of his staff, with the matter now under consideration of the Contra Costa County Civil Service Commission.

## Dates for Camporette Changed to May 5, 6

Word has been received of the change of dates for the Diablo District Boy Scout Camporette to be held at Curry Creek May 5 and 6. The local Scout troops had formerly understood that the camp was to be held April 28 and 29. This Camporette is held by the district each year a few weeks before the Berkeley-Contra Costa Camporee.

Do you realize how much it costs when you go through the Tunnel to shop?

## Bzzz - Bzzz At Acalanes

By PAT MILES

APRIL 7 was the Acalanes Assembly's sport dance. The theme was the "Be-bop Palace." A few of the many people there included:

Carol Linn Baldwin, Dave Bridges, Marilyn Jeffries, Bonnie Jeffries, Richard Lee, Tom Hall with Mary John from Orinda, Tom Talvits, Judy Rounds, Donna Barnette and Dan Aimon, and Greg Williams.

THE SENIOR EXTRA, "The Senior Jinx," was held, as its name implies, on Friday the 13th.

The decorations included a ladder in the middle of the floor, a man hanging from the ceiling (a dummy, of course), two black balloons representing eight balls. Footprints and number thirteens led around the gym. The bids were broken mirrors with "Senior Jinx" painted on them.

A few of the couples there were: Bob Larson and Anne Hawkinsworth, Dave Bentley and Sue Tuttle, John Biasotti and Petey Bedard, Joie Pearson and Kay Goodwin, Jim Potts and Bonnie Jeffries, Bill Bedard and Leslie Heche, Allan Ames and Carole Rucker, Jerry Price and Pat Birmingham, Charlie Weber and Pat Hoge, and Wayne Brannan and Joanne Neuman.

ALSO ON FRIDAY the 13th, Melissa Brown gave a birthday party at the Claremont Hotel. Marge Welch and Dave Barrows attended. Al Culp and Carol Van Cleave went to the Fairmont last Saturday to see the Mills Brothers.

Before the Junior Woman's Club dance, Kay Mickle gave a small dinner party to celebrate her birthday. Kay's date was Ed Broome. Others attending were Marianne Summers and Mike Elvidge, and Judy Johnson and Bob Wallis.

OTHER ACTIVITIES included a surprise trip to the Fairmont with her father.

They dedicated the son, "Would I Love You," to Kay. She also received a white cashmere sweater from a number of girl friends.

It was Kay's 15th birthday. Happy Birthday!

A COUPLE OF WEEKS ago Shirley Mahl and Dave Zitt, who is in the Army, went to Santa Cruz for the day, where they had a wonderful time.

AT THE "BIG FIVE" semi-formal DeMolay Dance at the Masonic

## Out of the Dog House

### Over 100 Dogs Will Perform Sunday at Diablo Club's Annual Obedience Trial

By LYN McKEE

Over one hundred dogs will be going over the jumps, retrieving dumbbells, and obeying the many commands of their handlers, at the 4th Annual Licensed Obedience Trial of the Mt. Diablo Dog Training Club, Inc.

The Trial will be held at the Walnut Creek City Park Sunday. This all day event, which is open to spectators free of charge, will begin at 10 a.m. and will continue until the judging is completed. Exhibitors are requested to have their dogs at the park by 9:30, for examination by the veterinary, Dr. Maurice Boevers of Lafayette.

THE DOGS ENTERED in the Trial represent 31 different breeds. They range in size from the small Pomeranian to the Great Dane and St. Bernard. Heading the list, in number, are the German Shepherds, with an entry of 12. They are followed by the American Cocker, Great Danes, Dobermans and Boxers. Some of the more novel breeds which will be represented are Japanese Spaniel, Borzoi, Schipperke, Yorkshire Terrier and Irish Water Spaniel.

ALL OF THESE DOGS will be judged on their performances, in competition for ribbons, trophies and many special prizes.

Barbara Lewis, of Lafayette, has entered her Great Dane, Ch. Viking of Lewhaven, who will be trying for the last leg on a C.D. (Companion Dog) degree. Mr. and Mrs. W. Stewart Dinwiddie have entered Viking's Chris of Gaypark, a son of the Lewis Dane.

Other Lafayette entries include Joe Simpson's Stepper, a Doberman who has earned his U.D. (Utility Dog), and a Standard Poodle owned by the Marney Kennels. Jack C. Moore, Jr., of Orinda, will be on hand with his Bull Terrier, and Walt Williams, also of Orinda, will exhibit his American Cocker, Alva Wilkins of Walnut Creek will be in the competition with his English Cocker, and George Wooley has entered his Boxer, Jigger, to be handled by Joe Simpson.

And Waiterock Firebow, a son of Ch. Strongbow, was taken to his first show last Sunday by his owner, Juanita Waite. This was the second Sanctioned Show of the English Springer Spaniel Association of Central California, held at Temescal Park. Firebow not only won the puppy class, 6 to 9 months, but went on to win Best Puppy in Match.

Mocho Revelation of R. E. and B. E. Stringer, Orinda, was winner in Novice Females.

The two couples from Lafayette were Pat Weber and Mike McFarland, and Pat Hoge and Forrest Borghesani.

I'll see you next week with more news, so til then — bye.

## Urge Appointment of Administrator

The Contra Costa County Taxpayer's Association announces that it is placing in the hand of each member of the Board of Supervisors a copy of a study of county administrative forms of government now in operation in Sacramento, San Mateo, Los Angeles, San Diego and Santa Clara counties.

The association is urging that Contra Costa County provide an administrative official, operating directly under the Board of Supervisors. Clarence Fleager, association president, stresses these factors as favoring such provision: Assurance of execution of the policies and programs of the Board of Supervisors; economies in operation; and improvement and co-ordination of services.

"THE CURRENT STUDY being

submitted to the supervisors of our county is one that is distributed by the County Supervisors Association of California," Fleager said. "It embraces facts assembled by the Bureau of Public Administration of the University of California and it covers operations in charter and non-charter counties."

Fleager said that the association's aim is to provide the board with factual material that affords comparisons, states functions and shows the results of experience.

SACRAMENTO COUNTY established the administrative form in 1933. In 1940 it had a population of 170,333. Contra Costa's population today exceeds 298,000. San Mateo also initiated the administrative form in 1933 and in 1940 its population was 111,762. In 1947 San Diego acted to provide such a program. Its 1940 census figure was 174,949 although its population considerably exceeded that figure in 1949.

"These statistical facts are solely submitted to show that population wise we are ready for consideration of provision of a county administrator," Fleager said. "We are rated one of the fastest growing areas in the United States."

EVIDENCING WIDESPREAD interest, several improvement clubs have requested the association to provide speakers in the administrator proposal. Association Secretary J. B. McFarland said the requests cannot immediately be met but are being filed.

Informative material on the proposal is being sent to more than 50 improvement and community clubs, McFarland said. The very number of these groups, the secretary said, evidences an increasing governmental demand and a requirement for a contact agency such as an administrative officer would provide.

## Jewelry Designer To Give Lecture

The Diablo Art Association announced that Professor Robert Winston will be the speaker at its next regular meeting Tuesday at 8 p.m. at the Coast Counties Gas Company Auditorium in Walnut Creek.

Professor Winston, artist, designer and sculptor, is one of the nation's outstanding creators of modern jewelry and mobiles. He teaches jewelry and work shop at the California College of Arts and Crafts. The meeting is open to the public.

The Diablo Art Association is an organization of artists and those interested in art. Membership is open to all persons in the area. Work shops in painting, pottery-making and sculpture are in progress. A non-juried exhibit in May will feature the work being done by Diablo Art Association members.

Professor Winston's appearance is one of the regular monthly lectures by prominent artists.

## Historical Group Launching 30th

Invitations have been placed in the mails to scores of Contra Costans for the April 30 dinner at Nick's Place, Martinez, that will formally launch the Contra Costa County Historical Society.

The dinner will not only mark the permanent organization of the historical group under the sponsorship of the history and landmarks committee of the Contra Costa County Development Association but it will also honor Dr. C. L. Abbott of Richmond, veteran county coroner and pioneer physician of the county.

"More than 70 persons have already enrolled as charter members of the historical society," Iona M. Booth, general manager of the association announced today. "Enrollments are being received daily at association headquarters at 838 Escobar Street, Martinez. Reservations for the dinner are also flowing in and it seems certain there will be several hundred dinner participants."

Charter membership fee is \$5. A gold card will be issued to all who enroll on the charter as organizers.

## Acalanes Coach Serves On Education Committee

Coach Charles Eaton, mentor of the win-happy Acalanes track team, met with the special Physical Education Evaluation committee of Contra Costa school principals this week as a consultant in physical education.

Two representatives from San Francisco State College also met with the local principals to discuss the general physical education program in the county secondary schools.

## Hi-Lites on Hi-Life

By DON and DONNA

GRADES were handed out and most of them handed back by now. How did you do? Will you graduate or be promoted?

As you all know, to get on C.S.F. you must get three A's and one B. A total of 10 points is needed, and A is worth three points, while a B is worth one.

Well, if you were one of the unfortunate who came close to this but didn't quite make it, there are many other ways to make up points. A list of these ways to earn extra C.S.F. points will appear in the next issue of the Blueprint. More than likely, you already have some points due you that you don't realize.

LAST WEEK the topic of a Best

Do you realize how much it cost when you go through the Tunnel to shop?

Teacher contest was discussed. This week the contest starts.

Instead of the best teacher this will be for the 10 best teachers. The ones you are supposed to vote for are the following:

1. — The man and woman teacher with the best sense of humor.
2. — The man and woman teacher who make their subject the most interesting.
3. — The man and woman teacher who teach their students the most.
4. — The man and woman teacher who are the most patient.
5. — The man and woman teacher who are the best all-around teachers.

For voting, either mail your vote on a penny post card to this column in care of this paper, or write your choice down and leave it in Room 108. In voting, just write the number and then your choices.

## DANIEL McKAY FOWLER

Daniel McKay was born March 20 at Alta Bates Hospital. The whole Edwin J. Fowler family was delighted with the arrival, for now there are two girls, Susan and Sarah, and two boys.

Six-year-old Peter feels he will soon have a playmate and pal. The E. J. Fowlers of Oshkosh, Wisconsin, who have been spending the winter in Orinda, were happy to be here for the arrival of this new grandchild.

## Day Camp Leaders

Training periods for volunteers and leaders will begin Thursday from 10 a.m. to 2 p.m. at Walnut Creek Park for the 1951 Day Camp for Intermediate Girl Scouts and Brownies in the Diablo Valley Area.

This first session, a demonstration of "Out-Door Cookery," will be followed by two, four-hour sessions on May 8 and 10 from 9:30 to 1 and again on May 14 with volunteers meeting and going to the campsite between the hours of 10 and 4.

Mrs. L. H. Squires heads the Day Camp Committee, aided by Mesdames V. L. Christiansen in Lafayette, and Robert Rodden and Chris Olsen in Orinda. Mrs. H. H. de Launeux is the camp director again this year.

Camping experience is part of Scouting and more mothers and others interested in Girl Scouts are urged to volunteer for a day or a week.

## LEGAL NOTICE

In the Municipal Court of the City of Oakland  
County of Alameda, State of California  
SUMMONS  
Action No. 8753

MERCHANTS COLLECTION ASSOCIATION OF OAKLAND, in which firm name and style George B. Fink is doing business.

Plaintiff

vs.

ARTHUR F. SISTERNA, HARRIET SISTERNA, also known as MRS. ARTHUR F. SISTERNA, First Doe and Second Doe

Defendant

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

Arthur F. Sisterna, Harriet Sisterna, also known as Mrs. Arthur F. Sisterna, First Doe and Second Doe.

YOU ARE HEREBY DIRECTED TO APPEAR AND ANSWER the Complaint filed in an action brought against you by the above named Plaintiff in the MUNICIPAL COURT of the CITY OF OAKLAND, County of Alameda, State of California, within TEN days after the service on you of this Summons—if served within said County, or within thirty days if served elsewhere.

YOU ARE HEREBY NOTIFIED THAT UNLESS YOU SO APPEAR AND ANSWER as above directed, the said Plaintiff will take judgment for any money or damages demanded in the Complaint as arising upon contract, or will apply to the Court for any other relief demanded in the Complaint.

Given under my hand and seal this 17th day of November, 1950.

FRED ANDERSON  
Clerk of the Municipal Court (Seal)

By M. F. SHEEHAN  
Deputy Clerk  
1225 Madison Street, Oakland  
O-76, Orinda Sun, March 23, 30,  
April 6, 13, 20, 27, May 4, 11, 18 and  
25, 1951.

DID YOUR MONEY  
MAKE MONEY  
LAST YEAR?

A lot of people just aren't satisfied to let their funds lie idle... especially these days.

They need more income. One way to get that income is to own dividend-paying shares in American corporations.

SUTRO AND COMPANY have a helpful informative booklet listing 299 stocks which have paid dividends every year from 20 to 103 years.

This booklet, "Investment Facts About Common Stocks and Cash Dividends," also contains helpful, informative explanations on how stock is purchased, what stock ownership means and many other interesting facts.

SUTRO AND COMPANY will be pleased to send you this helpful informative booklet without cost or obligation.

## LEGAL NOTICE

## NOTICE OF THE PROPOSED ANNEXATION OF TERRITORY TO THE ORINDA COUNTY FIRE PROTECTION DISTRICT IN CONTRA COSTA COUNTY

BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA

In the Matter of the Annexation of Certain Territory belonging to the East Bay Municipal Utility District to the Orinda County Fire Protection District.

## RESOLUTION OF INTENTION TO ANNEX

WHEREAS, the hereinafter de-

scribed property has been withdrawn from the Eastern Contra Costa County Fire Protection District; and

WHEREAS, it is the opinion of this Board of Supervisors that it would be advantageous to the Orinda County Fire Protection District and to the hereinafter described territory to annex such territory to the Orinda County Fire Protection District;

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors hereby fixes ten o'clock a.m. on the 7th day of May, 1951 in the Chambers of the Board of Supervisors, Hall of Records, Martinez, California, as the time and place of hearing of the proposed annexation

of the hereinafter described territory.

BE IT FURTHER RESOLVED that the Clerk is hereby directed to publish notices of said time and place of hearing for two weeks in the "Orinda Sun," a newspaper circulated in the territory which is proposed to be annexed, in which the Board deems most likely to give notice to the inhabitants of said territory.

That at said hearing, the Board shall hear any person objecting to the annexation or inclusion of any portion of the territory within the District.

The property proposed to be annexed is described as follows:

Commencing at the southwest

corner of the Lafayette Fire District Boundary Line as constituted December 1, 1949, being also a point on the Mount Diablo Base Line; thence northerly and northwesterly along said Lafayette Fire District Boundary Line to the south line of the State Highway between Oakland and Lafayette, being also a point on the Orinda Fire District Boundary Line as constituted December 1, 1949; thence southwesterly along said Orinda Fire District Boundary Line to the Mount Diablo Base Line; thence easterly to the point of commencement.

Passed and adopted by the Board of Supervisors of the County of Contra Costa, this 2nd day of April,

1951, by the following vote, to wit: AYES: Supervisors—L. T. Goyak, H. L. Cummings, Ray S. Taylor, W. G. Buchanan, J. Frederickson. NOES: Supervisors—None. ABSENT: Supervisors—None. I HEREBY CERTIFY that the foregoing resolution was duly and regularly introduced, passed and adopted by the Board of Supervisors of the County of Contra Costa at a meeting of said Board held on the 2nd day of April, 1951.

W. T. PAASCH  
County Clerk and ex-officio Clerk of the Board of Supervisors of the County of Contra Costa, State of California,  
By: M. A. SMITH,  
Deputy Clerk.

#### LEGAL NOTICE

##### NOTICE OF AWARD OF CONTRACT

(Local Improvement District No. 22)  
Pursuant to statute and to the Resolution of the District Board of the Central Contra Costa Sanitary District, directing this Notice,

NOTICE IS HEREBY GIVEN, that the said District Board of the Central Contra Costa Sanitary District in open session, on the 12th day of April, 1951, publicly opened, examined and declared all sealed proposals or bids for performing the work and improvement described in Resolution of Intention No. 679 of the District Board of the Central Contra Costa Sanitary District, adopted on the 1st day of

March, 1951, which Resolution of Intention is on file in the office of the Secretary of the District Board of the Central Contra Costa Sanitary District, and is hereby referred to for a description of said work and improvement and for all particulars relative to the proceedings under said Resolution of Intention; and notice is also hereby given that the District Board of the Central Contra Costa Sanitary District, thereafter on the 12th day of April, 1951, awarded the contract for said work and improvements to the lowest regular responsible bidder, to-wit:

CHARLES BURCH

at the price named in the bid for said work and improvement of said bidder, which said bid is on file in

the office of the Secretary of the said District Board of the Central Contra Costa Sanitary District, and to which reference is hereby made and the attention of all persons interested is hereby directed  
DATED: April 12, 1951.

H. M. SMITTEN  
Secretary of the District Board of Central Contra Costa Sanitary District of Contra Costa County, State of California.

O-94, Orinda Sun, April 20, 27, 1951.

#### Lyons Are in Paris

Mr. and Mrs. Harvey Lyon, who sailed for Europe the first part of the month, are now sojourning in Paris.

#### Effortless Power Is Sermon Talk

"Effortless power" is the topic of a sermon to be given by Rev. Fred Morrow at Orinda Community Church Sunday morning at 11 o'clock. The choir will make its usual inspiring contribution to the service of worship.

Mrs. Challis Gore flew to Los Angeles last Saturday to drive back her daughter Janet, Mrs. Edwin Shirey, Jr., and two young grandchildren, and arrived home Monday evening. Mr. Shirey has been called into service. Mrs. Shirey expects to buy a home in the Orinda area.

Friday, April 20, 1951

Orinda Sun

Page 7

#### Sub-Junior Firemen Invade Firehouse

Just for one hour last Friday, the Orinda Fire Department had 45 energetic young firemen and firewomen helpers.

The Orinda Nursery School took the fire house by storm. There wasn't a corner left unexamined as the eager little ones learned the ropes from Al Winsor, assistant fire chief.

After the tour, the real work began when, with customary efficiency, the Fire Department put on an exhibition for the kiddies. A fire was built and promptly ex-

tinguished, with, we hope, some well directed remarks about the danger of playing with matches.

To wind the excursion up in fine style the youngsters all piled onto the fire truck and had a happy, noisy ride.

"Oh Mommie it was fun!"

#### Seafarers See Movies About Orchestras

Twenty-five Seafarers found their port for their recent meeting at the home of their hosts, the E. J. Fowlers.

After games and refreshments, E. T. Meakin showed pictures of great interest from both an esthetic and a humorous point of view. One was about orchestral music of great symphonies, of school orchestras and the development of jazz from the first jazz orchestra in the South. The other films were comedies which delight all ages.

#### Mills Club Plans Work Meeting

Orinda Mills Club will meet at the home of Mrs. Kirk Miles, La Plaza, Monday night at 8 p.m.

This is an important work meeting. Ruth Gilwee and Emily Randall have two projects which must be finished at this time.

Grace Nichols will report on the Mills Centennial Plans for 1952.

#### I'm Frank...

If I tell you to be sure to get tickets to the Orinda Nursery School dance on May 12th, I think that this dance is one of the most successful events to take place each year in Orinda, and the reason for it is that Mr. and Mrs. Orinda have the opportunity to spend an evening with people they like — their neighbors.

This dance is held each year at the beautiful Diablo Country Club, where you have all the room in the world to waltz around. They also have a dancing area outdoors next to the swimming pool and under beautiful big oak trees.

It's a swell deal. Be sure to get tickets. If you don't know where to buy them, ask me; I'll get them for you.

We have boasted many times about the many odd things we have to carry in this "nut and bolt ranch" of ours. Of course, you know that we have carried rain gauges, sausage stuffers, left-hand garbage cans, automatic cherry pitters, automatic apple peelers, "slice a slice" (that's so you can make little slices out of big slices), hamburger squeezers, and vanilla-flavored cookie jars.

There are many others, too, but this new "gimmick" is really a necessity in every home. If you have ever wanted to squeeze garlic, now's your chance, because — "hallelujah!" we've got garlic presses.

Believe it or not, we have already sold dozens of these rust-resisting aluminum, strong, well-made garlic presses (did I say "strong"? — Whew!!! and how!!!).

They tell me you just can't be without one in the kitchen, because it's just wonderful for adding that expert touch to salads and other fine dishes.

Many foods are made tastier and fresher when you add a little garlic juice. In fact, they remain fresher and fresher and fresher for days and days and days!!!!

Just imagine, for only \$1.95 you can own a garlic press! So what do you care if the "Jones" do have a television aerial on their roof. You'll own a garlic press, and probably be the only one in the neighborhood who does.

No kidding, though, it's a good gadget, and it does have many uses for preparing fine food. Even if you don't think you need one, you ought to drop in and see what it looks like, so as to keep up with the times.

By now most of you lucky people have received that snappy little spring catalog that we put out. I think this issue is really one of the best yet.

However, I do have to apologize for part of it. Due to the present conditions, a couple of the articles shown in the catalog were never shipped to us, even though they were ordered months ago.

Also, a few of the specials were shipped to us only in small amounts. Because of this, we have disappointed a few people. I'm really very sorry this happened, but you Orindans are such swell people, I know you'll understand.

Gosh! I almost forgot to tell you who sent this catalog out, and who writes this rubbish, and why. You know, I get so enthused about all the wonderful things we have to sell that I forget.

Well, anyway, it's Orinda Hardware — Frank's Orinda Hardware — the biggest little hardware store at the Orinda Crossroads, and our telephone number is Orinda 2585.

Yes, I said 2585. I think Orinda 2585 is a nice telephone number, because

## Plans to Attend Oil Meetings

R. G. Larsen of 3844 Happy Valley Road left Sunday for the east. In Philadelphia he will attend a national meeting of the American Society of Lubrication Engineers and will present a paper on "Oil Deterioration in Theory and Practice" based on extensive studies in collaboration with H. Diamond, co-author. At Washington he will attend a meeting of the Subcommittee on Lubrication and Wear of the National Advisory Committee on Aeronautics, of which he is a member.

Larsen, an authority in the lubrication field, is head of the Lubricants and Fuels Department at Shell Development Company's Emeryville laboratories, and a director of the California Section of the American Chemical Society.

National brands at regular prices — here at home.

## Third Quarter Grades Received This Week

Acalanes students moved into the last quarter of the school year this week with grades for the third quarter out last Tuesday. The new fourth quarter runs until June 15, the last day of the school year and beginning of summer vacation.

## Marcia Engle Files in Canyon

Marcia Engle has filed for the trusteeship in Canyon Elementary School District, where Alice P. Mayberry had filed previously. Mrs. Phyllis Rice is the incumbent. The Canyon contest is one of three elementary school district contests which have developed as a result of recent candidate filings in the office of County Superintendent B. O. Wilson.

## Jewish Women Plan Luncheon at Diablo

A group of Jewish women from Lafayette, Orinda and Walnut Creek will meet for luncheon at the Diablo Country Club May 11 at 12:30.

The purpose of the meeting will be for the Jewish women in the neighborhood to get acquainted.

Those interested are asked to contact Mrs. Robert F. Robinson, 157 Mira Monte Road, W. C. 2759, for reservations. The charge will be \$2, which should be sent to Mrs. Robinson before the luncheon.

## Household Worker Forms Must be Filed in April

First reports using the new special social security envelope forms for reporting wages of household workers are due during April.

Kenneth W. Fetterman, field representative in this area for the Social Security Administration, points out that every household worker who meets the 24 day—\$50 test is covered by the new social security law.

This test is explained in a booklet, "Do You Have a Maid?" which may be secured at any social security office, postoffice or office of the collector of internal revenue. The booklet also includes a post card for use in requesting this simplified tax return blank.

## Dance at Moraga School Set for Tomorrow Night

The Canyon-Moraga Volunteer Fire Department is holding a public dance tomorrow night at Moraga School, from 9 p.m. to 1 a.m.

Chief Al Baitz invites everyone to attend, assuring a good time. Proceeds of the affair will be used for purchase of a resuscitator for the fire department.

"It's smart to cook  
with an automatic  
GAS RANGE"

Says **ELIZABETH TAYLOR**

CO-STARRING IN M.G.M.'S.

"FATHER'S LITTLE DIVIDEND"

**Now! Spring Style Show of the newest in  
Gas Ranges at your dealer's!**

THERE'S a world of difference between the gas ranges of even a few years ago and the 1951 models!

The new automatic gas ranges look better, cook better and save you more time and work than you ever thought possible.

Broiling in a new automatic gas range is smokeless. You're sure of baking and roasting success because the automatic oven heat control maintains the exact temperature you want... because continuous circulation distributes the heat uniformly to every part of the oven. The clean blue flame of gas gives you visible heat for surface cooking... greater speed... instant response to control... and proved economy.

Be smart... really smart! See the Spring Style Show of the new automatic gas ranges at dealers' or in our showrooms today.

## Baseball, Track, Tennis on Tap In Coming Week

Next week is another busy one on the Acalanes athletic calendar. Baseball starts off in a big way next Tuesday when the Junior Varsity meets up with Pittsburg at Acalanes, while the Varsity tries its luck at Emeryville.

On Wednesday the Junior Varsity baseball nine travels to San Ramon and tennis entertains Alhambra on the home court.

Thursday finds the Don cinder-men back at work with El Cerrito at the Acalanes stadium.

Next Friday, baseball draws a bye in league play and meets up with El Cerrito in a non-league contest on the Acalanes diamond.

## Lafayette Bows To Pittsburg in 8-6 Heartbreaker

The Lafayette Legion-sponsored baseball nine dropped a heartbreaker to Pittsburg Boys Club in a county league game at Acalanes Monday afternoon. Score was 8 to 6.

Pittsburg scored in the opening inning when, with two down, Al Nicolosi hit a circuit clout to left field, with Sam Indelicato on the mound doing the throwing.

Sam retired the next batter on three straight strikes, to end the inning and the scoring as far as he was concerned, going the next two frames to retire the side in apple pie order.

LAFAYETTE crossed the home plate three times in the third on four hits, all singles, from the bats of John Champlain, Alan Ruff, Richard Davis and Bart Ferro.

The local lads added to their total as they scored twice in the 4th on hits by Richard Munn, Sam Indelicato and John Champlain.

Rick Johnson took over the pitching chores at this point and got by O.K. until the fifth, when a series of errors resulted in five runs by Pittsburg without a batter getting a hit, and it was 6-5.

THE LEGION tied it all up when George Fortado romped across the platter after getting on with a single through pitcher's box.

In their half of the fatal seventh, Pittsburg broke the tie and forged to an 8-6 lead when Ray Lucido, the first batter, walked, went to second on Al Nicolosi's hit and both of them came home as Barry Carpenello singled to right.

Alan Ruff, George Fortado and Rick Johnson all hit long balls to the outfield but to no avail as the fielders snared them for putouts, and it was all over, 8-6.

Lafayette had eight hits to Pittsburg's seven.

THE LOSS gave Lafayette a .500 in league standings, with two wins and two losses.

Tomorrow the team travels to San Ramon High for another league game on the Danville diamond.

## SPORTS

## It's Only April but Bear Scrimmage Augurs Well for Cal Eleven Come Sept.

By ERWIN MATTSON

I WAS ONE of the few who braved last Saturday's cold weather to watch the Berkeley Bears go through their second scrimmage as better than a hundred players went all out to catch the eyes of the coaches.

Bob Stevens accompanied me, and what we saw made us both warm in a relatively short period of time.

I got warm being a Bear rooster, while Bob's reaction came from thinking of what the Bears might do to his Alma Mater, Oregon State, come this Fall!

In watching the Bears over a number of years, I have never seen a more formidable set of backs, with emphasis on depth as well as quality.

The line did not stand out as much as the backs and stress was on offense rather than defense.

THE DRAFT LOOMS as the biggest obstacle, but if all goes well this Fall will find the Bears with one of their better eleven's.

Paul Larson, a Frosh back from Turlock, was very impressive, as were Sophomores Jerry Hinton, Jed Adams and Sammy Williams.

Incidentally, the Bears appear to have two real quarterbacks in Bill Mais and Williams, who handle the ball well and appear to be top throwers.

Acalanes had two line candidates in Lloyd Torchio at center and Jay Forni at guard.

Forni's action was limited, due to a sore ankle, but he did O.K. while in there, and Lloyd had a real workout and appears to be capable of some fine ball.

TRACK FANS may trek to neighboring Martinez for the Alhambra Relays tomorrow night to witness several hundred athletes in competition for a fine group of trophies.

I use the word "may" because if the current (at this writing) weather keeps up, few will be in the stands, as it is a night affair under the lights of Alhambra field.

All events are in the form of four-man relays, including field events. In the shotput, for example, the best puts of a four-man team are added to give the team's total. Thus emphasis is on team depth.

Acalanes stands a good chance to come home with a trophy or two as they have depended on depth to bring them a winning season.

Competition will be exceptionally strong, however, with such schools as Richmond and Tamalpais vying for top honors.

## Dons Outclassed By Diablo Devils In 9-2 Encounter

Inability to hit in the pinches and a bad first inning proved the downfall of the Acalanes Dons as the Red Devils of Diablo took their measure in a Contra Costa League game played at Concord last Friday afternoon.

Three errors, three walks and a hit batter resulted in 7 runs for Diablo in the opening frame and, as things turned out, it was the difference in the game, with Diablo ending up with 9 runs to Acalanes' 2 at the end of the seven inning game.

DIABLO SCORED single runs in the third and sixth, while Acalanes counted its two in the second inning when Bob Winkench walked, advanced to second when Jerry Macauley also drew a base on balls, and both came home when Bob Westlund singled to right field.

Paul Stafford was the winning pitcher, with Ray Jardine relieving him in the fifth when Stafford retired to the outfield.

ACALANES had but two hits, one off the bat of Westlund and the other a single by Jerry Macauley.

Bob Borghesani threw for the Dons, allowing six hits over the route.

Next week the Dons draw a bye in league play, meeting up with El Cerrito in a practice encounter on the local diamond on Friday at 3:15.

## Antioch Reserves Beat Dons, 5-2

A triple with the bases loaded in the opening inning proved to be the downfall of the Acalanes Varsity Reserves at Antioch Wednesday afternoon.

It ended up 5-2, with Antioch accounting for three hits, while the best the Dons could muster was two runs on two safeties, one of them a double off the bat of Pitcher Richard Ting.

## Don Tracksters in Another Win, This Time Over Albany, Alameda

The Acalanes track teams had another field day Thursday of last week when the Varsity and Bee teams registered wins over Albany and Alameda High Schools.

In the Varsity the Dons ended up with a comfortable margin of 83½ to Alameda's 51½ and Albany's meager 4.

In the Bees it was closer but the Dons were still out in front with 64½ and Alameda close by with 60½, while Albany managed to gather four points.

HIGHLIGHTS of the meet were Herbie Turner's (Alameda) new track records set when he sprinted

to a 10.1 hundred-yard dash and ran the 220 in 21.8.

Cort Bacon of Acalanes set a fast pace and finished up all by himself in the fine time of 4:49.3 for the mile run.

DARRELL CROSSMAN and Gary Coad were high point men for Acalanes with 7½ apiece, while Hansard of Acalanes took the Bee scoring honors with 10½ points, five of which were scored when he leaped 19 feet in the broad jump, which also set a new stadium record for the Class B event.

Next week the track teams travel to Martinez, where they will take part in the Martinez Relays.

## Modesto Trims Don Tennis Team

The Acalanes tennis team suffered one of its infrequent setbacks at the hand of Modesto High Monday afternoon when it won two matches while dropping five.

Modesto is reputed to have one of the better teams in the state, having two players who rate among the state's top 10 in Fritz Earle and Frank Dickason.

Match scores were as follows:

Bob Wallis (A) lost to Fritz Earle 6-3, 6-2.

Norm Parsons (A) lost to Frank Dickason 6-1, 6-0.

George Fowler (A) defeated Stan Loeb 7-5, 6-3, 6-1.

Dave Bentley (A) lost to Bob Fisher (M) 6-4, 8-6.

Jerry Gray (A) lost to Harry Foster (M) 6-0, 6-4.

Wallis and Parsons (A) lost to Earle and Dickason (M) 6-1, 6-1.

Bentley and Gray (A) defeated Foster and Johnson (M) 6-4, 4-6, 6-3.

If you love children — yours and your neighbors' — slow down when you drive home today.

Telephone service is always homemade, in and for each community we serve. Here a cable goes into service.

## MORE HOME-TOWN SERVICE FOR WEST'S HOME TOWNS

We're putting many millions more into telephone facilities this year

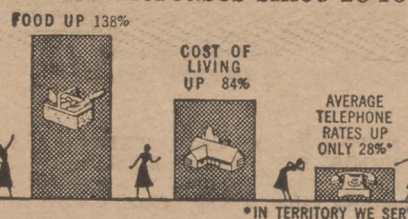

1. All across the West, in the country and in the cities, telephone people are still hard at it expanding and improving the telephone system. For our population continues to grow. The demand for new telephone service goes right on... in spite of our having doubled the number of telephones in use in the past ten years. And doubling the amount of money invested in the telephone business in just five years.

3. It's taken a tremendous investment to build to serve the million and a half new telephones we've added since 1945. And, building as we have in the face of inflated costs, the equipment to serve a new telephone has averaged about \$400. Before 1940, the average was about \$250. Yet rates are up far less than our costs of providing service... on the average less than half as much as the cost of living. Your telephone is one of your budget's best friends.

2. New facilities, installed in just the past five years have increased our plant \$660,000,000, the largest expansion program ever executed by any public utility operating company. Again in 1951, we'll put many millions of investors' money into the West. Much of the material we will use will be purchased in the West's towns and cities. Certainly most of them will benefit from the program's jobs and payrolls.

## Price increases since 1940

\*IN TERRITORY WE SERVE

## Girl Scouts Plan Scrap Metal Drive

It's time for spring house cleaning, and the Girl Scouts will help you.

The Diablo Valley Area Girl Scouts are having a scrap metal drive. This is the time to get rid of that old iron bedstead that you fall over every time you go into the basement. Any size or shape of iron or steel is wanted, but no tin. Just phone Orinda 2040 and leave your address. A truck will pick it up Sunday, April 29.

## Spanish Film Sponsored By High School Society

"Dios se lo pague," a Spanish language film featuring Arturo de Cordova, the latin Clark Gable, will be shown at the El Rey Theater, Walnut Creek, tomorrow at 9:30 a.m., under sponsorship of the Acalanes Spanish Honorary Society in cooperation with the theater management.

Selected shorts will be included on the all-Spanish program which will be supplemented with English titles. According to Mike Kleent, president of "Los Charros," the student Spanish Club, the film is "resplendent with beautiful señoritas and handsome caballeros." Admission is 60c.

## Pastor Berven Tells of Sermon

"What was the secret of the growth of the early Christian church? The tremendous growth of the Christian church from a little band of apostles to a church that within 300 years swept over the Mediterranean world can be explained only by the fact that every Christian became a witness for Christ. Men were 'won to win.' Every Christian considered it his most important duty and privilege to help win others to faith in the Savior, this God-man, Jesus Christ."

Challenging his people to similar witnessing today, Pastor Luther Berven of Our Savior's Lutheran Church in Lafayette, Sunday, will speak on the sermon subject, "One in '51." The text, John 1:35-41, tells of Andrew who when he met Jesus immediately went and found his brother Simon and brought him to Jesus. The "Early Bird" service is at 8:00 a.m. and the morning worship at 10:45 a.m. Sunday School meets at 9:30 a.m.

Do you realize how much it costs when you go through the Tunnel to shop?

— BURNS HOME FURNISHERS

## Mary Doyle Resigns as Therapist

It was with deep regret that the resignation of Mary Doyle as physical therapist at the Mount Diablo Child Therapy Center was recently accepted, the Board of Directors announced today.

Mrs. Doyle has been physical therapist at the Center since its inception in January 1950. Due to her outstanding work with handicapped patients and the wonderful community support received, the Center has grown to its present size and importance.

"Mary Doyle will be greatly missed by patients and workers alike. Her devotion to patients and

her great accomplishments will serve as an inspiration to all who continue the wonderful work at the Center," the directors said.

Miss Barbara Knapp, O.T.R. will carry on the physical therapy work in addition to her occupational therapy work until a successor for Mrs. Doyle has been appointed.

## 12-15 Club to Sew Slippers for Vets

The 12-15 Club met April 10 at the home of Mrs. L. A. Mattes. The chief business was the discussion of the budget while hands kept busy on tea towels. Mrs. Ida Zamloch was welcomed as a new member filling the vacancy caused by the resignation of Mrs. B. O. Wilson.

The next meeting of the 12-15 Club will be Tuesday at the home of Mrs. James Sullivan on El Toyon. Materials will be ready for the group to start working on the carpet slippers for the Veterans Hospital patients.

## Guild Sections Consolidate Into 4 Groups

The Women's Guild of the Orinda Community Church has been consolidated into four groups, Sections 1 and 2 meeting in the afternoons, and Sections 3 and 4 meeting in the evenings. The largest of these is Section 3 which is carrying on many sewing projects for the Fall bazaar.

Section 4 met the evening of April 10 at the home of Mrs. A. D. Henry. The co-hostess was Mrs. Arthur Bowman. Mrs. E. D. Howe led the devotions. Mrs. A. C. Flenner entertained with a number of violin solos.

Mrs. Norman T. Mears of St. Paul who is visiting her daughter Mrs. John Ogden, spoke on "How does your garden grow?"

## Fellowship Sees 'Boy Dates Girl'

The Pilgrim Fellowship met Sunday evening in Orinda Community Church. Mike Small led the worship service. The group then was shown the film, "Boy Dates Girl" which aroused a worthwhile discussion. At the close of the meeting refreshments were served.

At the Sunday meeting members will entertain their parents at a potluck dinner at 6 o'clock. The program will be a panel discussion of the problems facing teen-agers and their parents. This will be followed by a recreation and fellowship period.

## Rev. Thomas Will Conduct Service

Rev. J. Henry Thomas, rector of St. Clement's, Berkeley, will conduct services Sunday at St. Stephen's, 55 Orinda Highway.

The choir will sing under the direction of Sherwood Y. Thatcher and Mrs. George M. Day will be at the organ.

## NEED STORAGE SPACE

In connection with St. Stephen's Rummage Sale, November 6, an appeal by the chairman, Mrs. Roy Johnston, is made for basement or other spare storage space for rummage. The need is urgent as spring house cleaning has started and calls are coming in from would-be donors.

## Seafarers Sail

The Seafarers will sail Friday evening to the hospitable port of the E. T. Meakins, 33 La Noria. All members should get aboard for this meeting and visitors are welcome. A dessert will be served at 7:30, followed by a good program.

## Students Learn About College At Student Tea

The Mills Student Tea for Acalanes High School girls was held last Friday at the home of Mrs. H. C. Booth, 207 Crest View Drive, Orinda.

Mrs. Stuart Henderson was in charge of the tea, assisted by the following Mills College students: Linda Taves and Eleanor Ferguson, freshmen; Jocelyn Levi, junior, and chairman of student orientation on the campus, and Betty Pease, senior, delegate to the 1950 Student Conference in India.

Acalanes High School girls who attended were Anne McAllister, Carola Courtright, Lois Galbraith, Peggy Gray, Nancy Tinkham, Shirley Daniels, Yvonne Irwin, Ruth Richter and Carol Jean Earl.

The afternoon was spent in conversation about Mills and its curricula. Refreshments were prepared and served by Mills alumnae of Orinda.

Mrs. Tom Cooper, Mrs. Delmar Fager and Mrs. Harry Booth were co-hostesses.

Next month a student conducted tour of the college classes and campus will be held. Any girl interested is welcome to attend. Please contact Mrs. Stuart Henderson, Orinda 4061.

## Chit and Chat about Don and Donna

By MARY THIES

AH — SPRING! That wonderful time of the year! Nobody feels like doing any homework (although there is still plenty of it assigned) and there is a definite rise in the number of pink slips (better known as cut slips) being handed out.

A few weeks ago, "Where's Charley" opened in San Francisco and from the reports of Acalanes students who attended (your truly included) it is one of the best shows ever seen in San Francisco.

Many were at the Saturday matinees but others were lucky enough to go to the Wednesday performances. (I feel so sorry for them because they had to miss school.) One such person was Marita Lyon who remarked "Ray Bolger is simply wonderful!"

THE GIRLS' LEAGUE, an association consisting of all the girls in the school, held a meeting last week. Entertainment was provided by some girls and a few boys (I wonder how they rated?)

JANET CHANTLER played a piano solo and Lavern Durante, along with a few other girls, presented the "Chattanooga Shoe Shine Boy," a dance which was from last year's Junior-Senior Banquet.

Sven Groennings, a Junior at Acalanes this year, is running for Student Body president. This year he is president of the CSF and was also representative from Acalanes at the UNESCO conference at Stanford. There he was chosen as spokesman from Contra Costa County for next year. He is interested in sports and has participated in many class activities.

The Spanish Honorary Society met last week to elect officers for next year. Tom Tilton was elected as "Sergeant at Arms."

TELEVISION PARTIES seem to be quite popular at the moment. Dorothy Floyd recently gave a party at which Ken Ernst, Barbara Hansen, Juan Erickson, Carolyn Ward and Gary Reich were among the guests.

AT A RECENT awards assembly, many GAA awards were given to Orinda girls. A few of the people who received these awards were Sharon Brown, Janet Jansse, Carola Courtright, Lois Galbraith, Peggy Everest, Judy Woolsey and Shirley Daniels.

Do you or any of your friends have any hidden talent? If so — contact Gordon Hooper, who is organizing a talent show. This is to be put on at an Acalanes assembly by Acalanes students.

They want everyone — which means you! Don't delay — act today.

Do you realize how much it costs when you go through the Tunnel to shop?

## Choose Your Tool: Join the Fight

A "call to battle" against the tree-less and shrubless condition of the Community Church grounds was sounded this week by members of the Board of Trustees who will lead a volunteer pick-and-shovel battalion against the enemy tomorrow at 8:30 a.m.

Volunteers are asked to bring their own weapons, including "the general's car," vulgarly known as a wheelbarrow. Bill Mott, Al Reid and Ralph Hall will direct the campaign, and the office of supply has announced that ammunition for the big push will be on hand in the nature of plant materials, top soil and other necessary material.

For those who find the trenches too exhausting, there will be opportunity right behind the lines to scrape paint, putty cracks in preparation for painting of the church hall. Others will be needed for mess duty at noon.

This will be the first of three Saturdays to be devoted to this planting and painting project. Members of the congregation and of all the various organizations who gain benefit from the community-wide service of the church are urged to "join up."

## Clippers Enjoy Talk on Shrubs

Jack Schneider spoke on flowering shrubs at the March meeting of the Clippers held at Orchard Nursery.

He answered many questions on landscaping and planting problems. Before the meeting, Jack had visited a number of gardens of Clipper members, including the Charles Blues and the John Ogdens. Following the informal but helpful discussions, doughnuts and the hot coffee brought in thermos jugs were enjoyed.

The Clippers will meet next Friday at the home of Mrs. Everett Howe, 15 Glorietta Court, and not at the Kirk Miles home as previously announced. There will be a program of color movies.

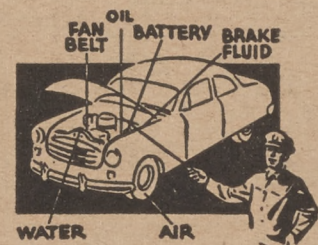

Refreshments are being planned by the Chefs, Emory and Marian Davis, and Laura and Stanley Hudd.

## 'Frontier Law' To be Shown

Teatro para Ninos presents for Saturday, "Frontier Law," a rip snorting western. These Mothers Club sponsored shows are held every Saturday from 1 until 3 p.m., at the Orinda School auditorium.

## Bardens Visit Family

The Lance Barden family drove to Balboa Island recently after receiving word of the sudden death of Mr. Barden's brother-in-law, John Greenleaf. They spent several days there with Mr. Barden's parents.

## Progressive Four Course Dinner Set

The Shipmates and their guests will journey over Orinda trails and byways in search of a dinner of four courses arranged by Mrs. Kenneth Swift and her committee next Friday at 6:30.

Hors d'oeuvres will be served at the home of Mr. and Mrs. Chuck Blue on Claremont Drive. The Fred Twinings, 7 Loma Vista Drive, will serve the salad course. The group will then descend on the home of Alfred and Sandie Buxton, 89 Lombardy Lane, for the entree, the piece de resistance being of foreign origin 'tis rumored. Eventually dessert will be served at Ed and Dorothy Turk's place at the end of South Trail.

Somewhere a business meeting and the installation of new members will be sandwiched in. It has been suggested that car pools be organized for the evening's escapade with the meeting spot at Bridwell's parking area in the village near the bridge.

Do you realize how much it costs when you go through the Tunnel to shop?

## LEGAL NOTICE

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382. NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of Ernest M. Bony for a use permit.

Said application is to modify provisions of Section 4 Subdivision F Subsection 5 of the provisions of Ordinance 382 as hereafter set forth, namely: to have side yards of 15 feet on one side and 17 feet on the other side.

Property is located on the following maps which appear as Subsections — of Section 3 of Ordinance 382.

Brief description of property: Lot 48, Moraga Estates.

The time and place of said hearing will be in Room 210 Hall of Records, Martinez, California, May 1, 1951, 8:00 P.M.

G. F. McCORMICK, Secretary  
Contra Costa County  
Planning Commission
